

**IF YOU'RE  
NOT LIFTING  
CGC SHEETROCK®  
BRAND ULTRALIGHT  
PANELS MOLD TOUGH®,  
WHAT ARE YOU LIFTING?**

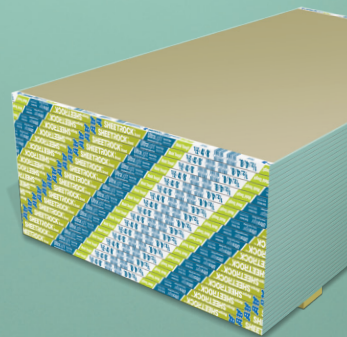

**INTRODUCING THE FIRST LIGHTWEIGHT 1/2" WATER  
AND MOULD-RESISTANT GYPSUM PANEL.**

**CGC Sheetrock® Brand UltraLight Panels Mold Tough®**

- Up to 20% lighter than competitive water and mould-resistant panels
- Meets or exceeds all ASTM C1396 criteria for mould-resistant gypsum drywall panels
- Scores, snaps, installs and finishes just like standard drywall
- Ideal for bathrooms, basements and garages

**Another first from CGC, The Leader in Lightweight Innovation™.**

**CGC**   
IT'S YOUR WORLD. BUILD IT.™
