TECH ZONE™

Ceiling Systems

Specify technical fixtures with confidence for TechZone™ Ceiling Systems. To save you time, we've teamed with industry leaders in lighting, air diffusers, fire protection, radiant heating, and chilled beams to assure fit and finish. There's no need to research fixture compatibility for your ceiling layout. Our standard parts help you create a custom visual. Look for the Armstrong Ceilings "TechZone-compatible" signature on partner websites and literature.

specify with confidence

A large, modern conference room with a long, light-colored table in the foreground. In the background, there is a glass-walled meeting area with several chairs and a wooden door. The room is well-lit with recessed ceiling lights.
