To Our Valued Customers,

As you may be aware, the Canadian government announced retaliatory import tariffs effective July 1st, 2018, in response to recent tariffs imposed on Canadian steel and aluminum.

At this time, a 10% tariff has been set for glues/adhesives from the US, weighing less than 1kg, which affects Trim-Tex 847 Adhesive Spray.

Below is a link to gov't of Canada Website, table 2 heading 3506.10 for tariff on adhesives

<https://www.fin.gc.ca/activty/consult/cacsap-cmpcaa-eng.asp>

Due to the 10% tariff implementation, it is necessary that we offset this increase by **adjusting our price on 847 Adhesive Spray by 8%.**

Adjusted Price will change effective on all orders placed on/after **July 23rd, 2018.**
This letter serves as official notification of the increase.

If this tariff is reduced, raised or lifted, we will adjust our pricing accordingly.

If you have any questions, please contact your Wallboard Trim & Tool Account Manager or Customer Service at 800 590-5799.

Thank you for your continued business & support.

Best Regards,
