Canada Price Announcement: FOAMULAR® Foam Products

Dear Valued Customer,

Owens Corning Canada LP (“Owens Corning”) will increase Canadian prices on all Residential and Commercial Foamular® brand products by 7% on all orders shipping on or after April 16, 2018. Products included in this price increase are as follows:

<u>Product</u>	<u>Percent Increase</u>
FOAMULAR® Extruded Polystyrene Rigid Insulation	7%
JointSealR®, FlashSealR®	7%

Underlying factors that contribute to the necessity of this increase include rising raw materials and transportation costs.

Owens Corning reserves the right to limit the quantity of orders placed in advance of this increase. Orders shipped between March 2, 2018 and April 15, 2018 may not exceed your average monthly purchases in February and March, 2017. Quantities shipped above your monthly average will receive the new price level.

All orders shipping on or after April 16, 2018, will be priced at the new levels. Orders are required to be placed by March 31, 2018 in order to ship prior to April 16, 2018.

All new commercial job quotes for projects shipping on or after April 16, 2018, will reflect the new price level. Formally quoted pricing for existing jobs will be honored and escalators will be enforced.

New list price sheets will be issued shortly and your Owens Corning Area Sales Manager will be contacting you to review your new prices.

Thank you for your continued support of Owens Corning products and the opportunity to serve you. If you have any questions, please feel free to contact your Owens Corning Area Sales Manager.

Sincerely,
